ANYONE WHO missed out on Joslyn Art Museum's 2010 exhibition "Beyond Realism: The Works of Kent Bellows 1970-2005" would do well to get out and about over the next few months.

Right now, **Gallery 1516** (1516 Leavenworth St.) is celebrating the opening of its new exhibition space with a show featuring more than 50 pieces by Bellows, as well as work by family and friends of the late, Omaha-based artist. On Jan. 8, show curator Dr. Molly Hutton will give a **gallery** talk about Bellows beginning at 6 p.m. More information at [gallery1516.org](http://gallery1516.org).

Further ahead, Creighton University's Lied Art **Gallery** will present "The Kent Bellows Collection," an exhibition running March 14 through April 14. Look for more information at [creighton.edu/ccas/fineandperformingarts](http://creighton.edu/ccas/fineandperformingarts).
